Docket 99P0485

This is regarding the use of human antibiotics in livestock feed:  
I read that it seems to diminish the drugs ability to cure  
infections in people. So I'm contacting you to ask you to look  
into it. It seems a huge price to pay.

Thanks,

A handwritten signature in cursive script that reads "Jackie Etzhausen". The signature is written in dark ink and is positioned below the typed name.
